

make it a new world order. That's why we have all of this talk about globalism and all these international bodies that we're going to give power to because our corporate elite doesn't feel threatened by that, but each and every American should because none of those people overseas are going to watch out for us.

H.R. 1908 is coming up on Friday. It's a major attack on a constitutional right that's been part of the American system, part of the American system since the founding of your country. It's written into our Constitution.

□ 2345

We cannot make those changes and expect things are going to stay the same. But we beat this before. MARCY KAPTUR, DANA ROHRABACHER, DON MANZULLO and a few others, we beat back this attempt. But we did it because the American people called their congressmen and said, "Don't vote for the H.R. 1908 Steal American Technologies Act." That is what they did before, and we won. We contacted our congressmen.

That is how we beat comprehensive immigration reform. We can beat this bill, too, just like that. We can watch out for America if the PATRIOT Act and we watch out for the little guy together, if all of us come together and watch out for the little guy, all of our rights will be protected. That is what America is all about.

I beg my fellow Members to pay attention to this vote. I beg the American people to pay attention to this vote. There will be dramatic changes in our life and the opportunity our children will face and the safety of our country if we change this fundamental of our law.

Mr. Speaker, I yield back the balance of my time.
